

Chartered Financial Analyst® (CFA®) are licensed by the CFA® Institute to use the CFA® mark. CFA® certification requirements: Hold a bachelor's degree from an accredited institution or have equivalent education or work experience, successful completion of all three exam levels of the CFA® Program, have 48 months of acceptable professional work experience in the investment decision-making process, fulfill society requirements, which vary by society. Unless you are upgrading from affiliate membership, all societies require two sponsor statements as part of each application; these are submitted online by your sponsors.

The **Chartered Alternative Investment Analyst (CAIA)** designation is a professional designation offered by the CAIA Association. CAIA designation is the globally-recognized credential for professionals managing, analyzing, distributing, or regulating alternative investments. Candidates must complete a course of study and pass two examinations. CAIA designees are required to maintain membership in the CAIA Association and adhere to professional and ethical standards.
